The DMV permit test in New York is a mandatory written exam that assesses a prospective driver's knowledge of traffic laws, road signs, safe driving practices, and state-specific regulations. Successfully passing this test is a prerequisite to obtaining a learner's permit, which allows new drivers to practice driving under supervision before taking the road test for a full license. The test comprises 20 to 50 multiple-choice questions, depending on the version, covering topics such as:

- Traffic Laws and Regulations:** Rules of the road, right-of-way, and laws specific to New York.
