Additionally, the flaps, while durable, could pose a choking hazard if children are excessively rough or if the flaps become detached. Careful supervision is recommended for younger children.Furthermore, as with many holiday-themed books, the material is seasonal, limiting its use outside the Christmas period. However, this seasonality also enhances its appeal during the holiday season as a special, anticipatory read.Consumer Reception and PopularityCustomer Feedback and Reviews?Dear Santa? generally receives positive reviews from parents and educators.
